Dear Parents,

Welcome to our Weekday Program Ministry. We feel it is a privilege and an important responsibility to work with you and your children, so thank you for choosing Brooks United Methodist to serve your needs!

We realize these are unprecedented times with the development of Covid-19. We have elected to keep our numbers very small so that even in the worst case scenario, we would still be able to serve our families.

Please work with us as we continue to make the necessary adjustments. We will continue to be diligent on hand washing, disinfecting surfaces, limiting shared resources, and limiting germ sharing. We need you to do your part as well! If your child is not feeling well without medication, please keep them home. We want to keep everyone healthy! This continues to be a crucial time to not bring your child to school with any illness. If your child has allergy issues, encourage them to wear a bandana, but we understand this is not always feasible. We just ask that we all try our very best to not spread germs.

In our program we strive to provide each child with opportunities to learn about God and the love of Jesus, to develop a passion for learning, and to grow in self confidence. Our goal is to offer a program encouraging growth in the areas of academics, spiritual, intellectual, physical, emotional, and social development.

Our entire staff cares about each child and we plan very carefully for each child to be met with success and to enjoy learning. We are all dedicated to providing a Christian atmosphere where love, grace, and acceptance are demonstrated by our words and our actions.

Your participation in your child's education program will impact the meaning of their experience. Discuss your child's day with him or her and take pride in all of your child's accomplishments.

This handbook is your guide to the policies and procedures of our preschool. After you have read it, please put it in a convenient place so that you may refer to it during the year. Please feel free to email me or call the church office if you have any questions, concerns, or comments. Monthly calendars and newsletters will be sent home to give you detailed information on events and activities.

We are looking forward to a fun year together! May the Lord Jesus bless you and keep you!

In Him,

Terri Ingram

No post-dated checks can be accepted.

### **DROP OFF & TEMPERATURE CHECK PROCEDURES**

Pick up and drop off times can be confusing and congested. Please follow all of the rules and procedures to ensure that things will go smoothly. Please make sure that if someone else will be picking up your child, he or she knows the school's routine.

#### **DROP OFF:**

- **Enter into the church parking lot from the Brooks-Woolsey Rd. entrance.**
- Drop off time is at 8:00am or 9:00am, depending on your selection at enrollment.
- When you arrive, drive under the portico, where you will need to answer a series of questions regarding exposure to Covid. The student's temperature will be taken and logged. If your child registers a temperature reading over 99.9, they will not be permitted to enter the building and will return to the car with you.
- If you arrive *after* the allotted time, and a teacher is not outside to receive your child, you will need to park, enter through the main church doors, and a staff member will be called to come check your child in and walk them to class.
- Please do not come to the classrooms as this poses a health risk for the other children.

### **PICK UP PROCEDURES**

- Pick up time is at 12pm or 1pm, depending on your drop off time. (4hrs)
- Please be sure you are prompt to pick up your child on time.
- During pick up times, please do the same as morning drop-off and **enter from the Brooks-Woolsey Rd. entrance** and pull forward under the portico.
- Please remain in a single file line.
- You will be given a name card for your child; please show your child's name in such a way that we can see it easily.
- If you do not have your child's name card with you or if for any given reason, you will need to show a valid driver's license. If you need more copies of the name card, please ask the Director. Each tag is on a specific color according to their class. If you need another tag for a babysitter or grandparent, etc. please let us know and we will be happy to make more for you.
- Please wait by your vehicle as a staff member will walk your child to you.
- You are responsible for buckling your child into his/her seat.

- If your child will be allowed to go home with another student, this should be written in a note, signed by the parent, and given to your child's teacher.

**EARLY PICK UP:** If you need to pick your child up early for any reason, please send in a note that morning letting your teacher know what time you will need to pick up your child. If you choose to pick up your child early causing missed class time, it is your responsibility to make up the time at your chosen Satellite Campus to meet the state law of "equivalent to 4.5 hours for 180 days". (Please don't hesitate to ask the Director if more clarification is required.) In the event of an unplanned early pick up, please text 678-458-1762.

### **BEHAVIOR GUIDANCE**

Children in an enriched, active classroom with close teacher involvement are happy and engaged, and behavior issues rarely arise. Nevertheless, in a group setting, conflicts occasionally develop. Our staff treats each child with respect and uses positive reinforcement strategies. When unacceptable behavior occurs, teachers may gently remind the child of the classroom rules, redirect them to a new activity, or give them time to calm down in a quiet area of the room. Our staff will be reading and discussing the book *The Last Child in the Woods* and we will be implementing the ideas in this book.. We invite you to follow along with us by reading your own copy of the book.

### **CURRICULUM**

BWP is proud to offer educational, fun, hands-on learning experience. Curriculum is obtained from varied sources, including Saxon, Abeka, Apologia, and other wonderful materials. Students will receive lessons in Sign Language and Spanish. Students will receive lessons in Bible, phonics, math, music, history, science, and art. Chapel will be held once a week, dependent upon large group gathering guidelines set forth by the state..

### **SNACK/LUNCH**

Parents should pack a healthy snack for their child. In addition, a lunch should be sent in with the child. Microwaves are available to heat some items. If lunches are packed with candy items, the candy will be placed in the students backpack to be given by the parent. All students should be sent to school with a water bottle. **For ease of cleaning in the event of spills, please do not send your child to school with anything other than water.** This does not apply to babies that drink breast milk or formula.
